I came to Kingsbridge in 1970 and served the community as a Pharmacist for 21 years. My service has continued as Town Councillor for 18 years and for 11 years as a District Councillor. I work to provide the best facilities and services for the people of Kingsbridge and its surrounding parishes. I have for many years had a vision for Kingsbridge to improve the Quay area and include a centre for the community. There are so many talented residents who have no where to perform and use their gifts for the benefit of all. We need a prosperous town and must be careful to support businesses locally. Higher car parking charges are not helpful.

Affordable housing is our greatest need and we must support the District Council in their efforts to supply homes for young families and I am happy to serve on many of the organisations that exist to serve and help people in need.
