I have lived in the South Hams for over 28 years. I sat on the Salcombe Harbour Board till 2011 for 25 years. I am a local businessman, and smallholder. Until 2008 was an LEA Governor of Kingsbridge Community College. I have a varied international background much of which was in oil exploration. I have a special interest in finance, commerce civic pride and thrive on challenge. I will always do my best to modernise Kingsbridge Town Council. I will wherever possible engage with youth. My often quoted adage is '*It is better to have tried and failed than not to have tried at all*'.
